

Arts Path - Registration Pack Accessing the Arts and Cultural Sector

Do you or your organization have aspirations to assist artists with a disability to develop a career and/or individual practice within the Arts and Cultural Sector?

We are looking for interested Organisations and RTO's to be involved in the newly developed "Arts Path Project".

"Arts Path" is a project developed by BRACE Education Training and Employment. Artists with a disability within Ballarat and region work directly with an Arts Mentor to;

- Develop an independent pathway plan for greater access to the Arts and Cultural Sector
- Develop links with the broader arts and cultural sector
- Explore and engage in further education and employment options (Victoria wide)

If interested please complete and return the Registration Form. You will then be contacted by the Arts Mentor Coordinator to arrange a suitable time to meet.
